WHAT'S HAPPENING IN TRAVEL.

WORDS HANNAH JAMES

*feel the buzz*

*We love to drink local, and we love coffee. At Glasshouse Plantation, on the Sunshine Coast in Qld, you can tour the coffee farm and drink the goods. Visit [glasshouseplantation.com.au](http://glasshouseplantation.com.au)*

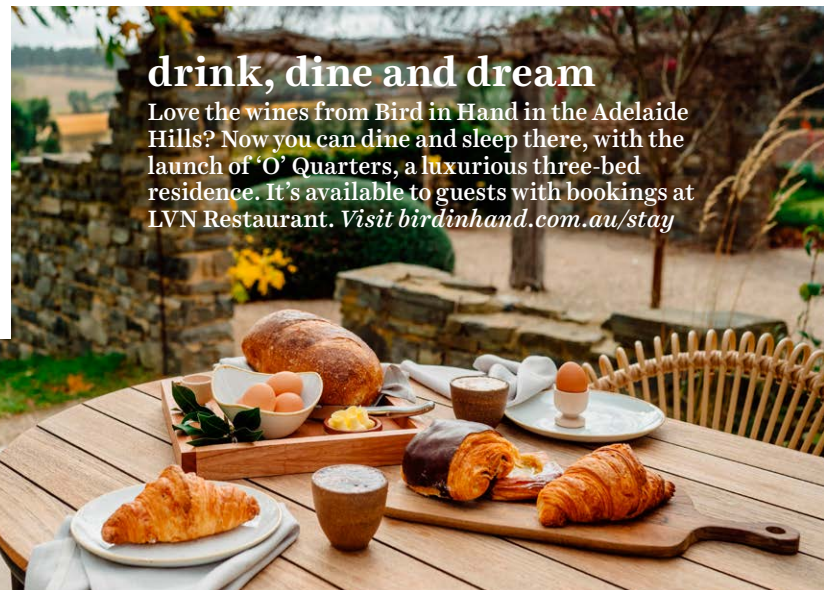

## SICILIAN SECRET

Lo Scoglio is the Byron Bay hinterland's newest accommodation offering, with the air of a timeless Italian farmhouse but all the space, light and luxury you'd want from a very modern retreat. Pick organic vegies to eat, or opt for a chef, then sink into the spa or sauna. Visit [loscoglio.com.au](http://loscoglio.com.au)

## TOP TO TOE

There's never a bad time to pick up a topper made from Australian wool, such as the Calliope Wool Fedora, \$99.95, from [hardtofind.com.au](http://hardtofind.com.au) I bow to no-one in my love of Texas, and this new slim-strap version in leather, \$150, is a super summer sandal; [au.teva.com](http://au.teva.com)
